

From the Desk of Executive Director, Shelley Klingerman

Four years after his tragic death, the legacy of Detective/FBI Task Force Officer Greg Ferency serves as a powerful reminder of the dangers law enforcement officers face every day in the pursuit of justice.

His dedication, selflessness, and unwavering commitment to protecting his community and country will forever be remembered. Greg's passion for his profession and his exemplary character continue to inspire future generations of law enforcement officers.

Project Never Broken remains committed to honoring and celebrating Greg's life and legacy. We strive to fill the enormous void left by his absence by weaving his spirit into everything we do.

We are determined to create something much bigger and positive from an evil and senseless act.

Thank you for your continued support of our mission to boldly support law enforcement through hope, help, and healing.

Sincerely,

Shelley Klingerman

Executive Director

Our Mission:

**Boldly support law enforcement through hope, help and healing,
while honoring the resiliency of humanity.**

Behind the Name

Greg's dad, Mike Ferency, was in the 1st Battalion, 7th Artillery during Vietnam. The unit's motto was Nunquam Fractum, which translates to "Never Broken." The idea is that if Vietnam couldn't break Mike, and Greg, even after being mortally wounded, managed to return nine shots, then we too will remain 'never broken' by this evil act.

The three "stitches" between Nunquam and Fractum represent hope, help, and healing as stated in the mission. With that mission in mind, our ultimate goal is for our law enforcement officers and first responders to be never broken.

The "129" on the flag is Greg's badge number. The blue line represents the "thin blue line." Finally, the worn texture of the logo represents Greg's 30 years of service.

2025: A Year in Review

September 2024 | Party with a Purpose

On September 7, 2024, the inaugural Party with a Purpose fundraising event took place. The occasion saw strong attendance from community members, who convened to show their support for law enforcement and first responders. Featured guest speakers included Dog the Bounty Hunter, Jason Schechterle, and Vinnie Montez, each of whom contributed insights from their professional experiences. Funds raised during the event are designated to advance the mission of providing direct assistance and support to first responders. The fundraising targets were surpassed, and the organization is now preparing for future initiatives of greater magnitude and ambition, transforming an evil and senseless act into something profoundly positive.

Our Second Annual Party with A Purpose is September 6, 2025. Details are here
<https://projectneverbroken.org/events/>

October 2024 | Warrior on the Wall

Project Never Broken attended the Warrior on the Wall conference in Middlebury, IN. Warrior on the Wall Ministries links arms with others of like mind to bring about the day when law enforcement agencies are filled with emotionally and spiritually whole officers who continue to do their jobs with excellence, lead their families in righteousness and bring the presence of God into their darkest of places. It was a pleasure to meet up with Kyle Reyes, who was speaking at the conference.

February 2025 | CIT Training

Project Never Broken was proud to sponsor the Crisis Intervention Team training for local law enforcement and social workers. The Vigo County Crisis Intervention Team hosted the training at the Terre Haute Police Department. The purpose is to train officers and first responders to identify when someone is experiencing a mental health crisis and work with community services to divert them to treatment. It's a 40-hour training resulting in the officers being a certified Crisis Intervention Team officer which is an international program.

March 2025 | Indiana COPS Ball

Shelley and Kevin Klingerman attended the Annual Indiana COPS Ball this year and the Indiana Rooftop. Indiana Concerns for Police Survivors is a non-profit organization that assists law enforcement agencies with developing workable plans for handling survivors during the trauma affiliated with the sudden loss of a loved one in the line of duty. It was a beautiful evening honoring and remembering our heroes who gave it all.

March 2025 | Frontline Ventures

Frontline Ventures: Empowering First Responders through Entrepreneurship was an initiative developed by Project Never Broken to connect public safety professionals in Indiana with essential business expertise. This program acknowledged the exceptional dedication of first responders and aimed to equip them with entrepreneurial competencies needed to establish and manage successful enterprises, all while maintaining their critical roles in public safety and helping prepare them for future career transitions.

The program consisted of a four-part series, with each session dedicated to a distinct topic. Sessions featured industry-leading experts as well as first responder entrepreneurs, who provided valuable perspectives and shared practical experiences.

April 2025 | Amy Robbins Show

While in Dallas, Shelley Klingerman, Founder and Executive Director of Project Never Broken, discussed the organization and its mission on The Amy Robbins Show.

Amy Robbins is a dynamic host and entrepreneur renowned for her compelling interviews and engaging presentations. With a passion for storytelling and a deep curiosity about the human experience, Amy excels in creating meaningful connections with guests from diverse backgrounds. Her work has been recognized in esteemed publications such as Forbes, Washington Post, Yahoo! News, Fox News, and many more, showcasing her impact as a thought leader and innovator.

Law Enforcement Hall of Fame Dinner

Project Never Broken was proud to be a sponsor of the 2024 Law Enforcement Hall of Fame Dinner. The evening was filled with stories of true heroism and incredible acts of courage.

April 2025 | Hops and Vines Festival

Project Never Broken appreciated the opportunity to participate in this year's Haute Hops and Vines Festival. The event provided an excellent platform to share our mission and story with attendees from across the region and was a notable success despite a little rain!

May 2025 | Cpt. Tim Rizzo

While in Indianapolis, Executive Director, Shelley Klingerman, had the opportunity to meet up with Cpt. Tom Rizzo, Co-host- On Patrol Live, to discuss real issues that the law enforcement community continues to face; both internally and externally. Cpt. Rizzo is a Co-Host - On Patrol Live, Author, Professor and Creator of leadership/wellness course, IVORY TOWER. He gave a shout out on air to our friends at Responder Bourbon!

June 2025 | Spartan Race

For the last two-year, Spartan Athlete, Sally Conover, has raced in Greg's honor. Below a recap of her experience (in her own words).

Recap of race weekend. The event was a Spartan race, it was a trifecta weekend held in Lawrenceburg Indiana at Perfect Slopes ski resort, June 8-9 (2024). I had it in my heart to honor our local fallen hero by carrying a flag during an endurance event. I chose to participate in 3 races in a two-day period. The flag was carried for 31.45 miles. I felt that was a good number of miles for this occasion. During the races I had the opportunity to share Greg's story with hundreds of other race participants. There were countless people that asked to share and carry the flag, if just for a little bit in his honor. I was happy to share this moment with other LEO's, first responders, and LEO family members. After the last race I was joined by my friends that are veterans. We quietly folded the flag, shared some tears and agreed mission

accomplished. Greg would have been proud ❤️. I feel driven to honor our fallen in this unconventional way, it's my way of giving back to the families. I give this flag as a token of gratitude for the service that Greg gave for his community. I will forever be grateful for his service and grieve for his loss. Thank you for allowing me to openly celebrate the life of Greg with thousands of people for 2 days out there on those mountains ❤️.

July 2025 | 4th Annual EOW Celebration of Life

Project Never Broken and Afterburning Brewing Partnered again for the 4th Anniversary of the Celebration of Life event. Hundreds of people stopped by throughout the event to share stories and raise a glass to Greg and all those who have and those who continue to protect and serve.

In addition, the Cops Cycling for Survivors joined us as made their first stop in Terre Haute as they rode across the state honoring all of our fallen. It was a great addition to the evening.

Thank You Planning Committee

Thank you to everyone, including those not pictured, who assisted in planning the Party with a Purpose event (over the past year). Their efforts were essential to making the event possible.
